How DESIGN for AMERICA helps you to use DESIGN THINKING

A SIEBEL CENTER FOR DESIGN & DESIGN FOR AMERICA WORKSHOP

Thurs., Nov. 16
2-4pm
Grainger Engineering Library, Lower Level
Snacks provided!

In anticipation of the state-of-the-art center coming in 2020, join the Siebel Center for Design and Design for America for a workshop exploring the basics of design thinking!

This interactive session will teach you how design and innovative thinking can help students in ANY field from service or technology to entrepreneurship. Come see how design thinking can help you step up your game!
